Fall Update

9/15/11

We fly and maintain landowners relations at the following sites: Nebo (H-3*/H-4), Magazine (H-3*/H-4), Short (H-2), Jasper (H-2) and Petit Jean (H-2).

The Prez Speaks (actually the VP is doing the column)

Welcome new member Stan Morris of Ft. Smith.

Mark Stump has been contacted by Magazine State Park for a weekend with other outdoor folks at the hill. Look for some chatter about this on the Yahoo Region 6 digest.

Treasurer Report

Allen reports the club balance to be \$647.16 (21 pilots have paid for '11) after payment of Insurance, driveway fund & web domain name.

Members are giving extra monies beyond the dues. Would be helpful if they tell Allen how to apply the money (dues for next year, donation, dirt fund, etc.)

Reminder – Mike K. has secured the domain name for a club website.

Contribute, if able.

The comments about additions to the Magazine release – giving contact information and rules for landing field. Some thought it had been done, from my last visit I have before me the stub that is given after sign-in.

Listed is the contact for BMF, CAMP and the site monitor (Mark Stump).

It has been suggested some type of emergency contact information concerning the primary landing field be included, possibly local phone #, physical address, GPS coordinates. Feedback please, but remember the space is limited at the bottom.
